**Fill out this form for each day that you work on this project,  
print the form, turn it in to your teacher with the project  
folder and initial the calendar page.**

Briefly describe the work that you completed today in the space below. Be sure to include the project specialists you are responsible for researching in your description and the work you did toward that specialist's part of the project.

Describe the work that still needs to be completed for your part of the project.
